# IndiGo Cadet Pilot Program

Integrated CPL/MEIR

## i The Course

IndiGo is the foremost low-cost airline operating out of India and is working with L3Harris Airline Academy to bring you this Cadet Pilot Program.

Selected by IndiGo from day one, you will embark upon a unique route of training. Successful completion of training and the final checks by IndiGo will take you directly to the role of Junior First Officer on the Airbus A320 aircraft, flying IndiGo domestic and international routes.

## ★ Key Features

- Cadet Pilot Program from L3Harris Airline Academy in conjunction with IndiGo
- Letter of intent (LOI) from IndiGo to employ prior to commencement of training
- Employment as Junior First Officer with IndiGo upon successful completion of training
- Training on the latest-generation aircraft and simulators
- Dual license-USA FAA and Indian DGCA CPL/MEIR
- Training in a globally -recognized, professional airline training environment

## ✈ The Training

The following is designed to provide an example of your training footprint for the Integrated CPL/MEIR IndiGo Cadet Pilot Program: what you'll be doing, how long for and where.

<b>ASF 101 Private Pilot Single Flight Lab in Florida, USA</b>	Approximately 23 weeks
<b>ASF 121 Instrument Airplane Flight Lab in Florida, USA</b>	Approximately 50-60 hours
<b>ASF 201 Commercial Pilot Single Flight Lab in Florida, USA</b>	Approximately 16 weeks
<b>ASF 221 Commercial Pilot Multi Flight Lab (MEIR) Flight Lab in Florida, USA</b>	Approximately 8 weeks
<b>ASF 290 Commercial Pilot Hours Building in Florida, USA</b>	Approximately 8 weeks
